Bulletin No.8

THE FINAL WOW FOR TEAM McLENDON

The curtain may be falling on this year's Tournament but the standards certainly aren't as was convincingly demonstrated by the juggernaut that is Team McLendon who have won all three Championship Teams Events this week, so we say Hats Off for this Hat Trick of Fantastic results.

Radu Nistor, Barbara McLendon, Raluca Nistor and Iulian (Max) Rotaru take the final bow in this year's Bermuda Regional and earn the last hurrah of 2026 for it is now time to bring the curtain down on what we hope has been an unforgettable (for the right reasons!) tournament for you all.

After the success that this team has had this week, we hope to see them on the dance floor tonight throwing some interesting shapes and sliding for all they're worth.

A Final Salute to this Week's Winners

TOP TEAM AND PERFECT PAIR

The B/C/D Flight in the Swiss yesterday was won by
Peter Bonk, Heather Overland Bonk, Carolyn Overland all from Toronto and
Danielle Faure-Panayotatos from New York.
This was a fine win by a popular team and we congratulate them.

Chairing this tournament obviously gives your own bridge a real boost, for the winners of the Gold Pairs (2) event earlier on Thursday were
current Chairperson Steve Cosham and a former Chairperson Katrina Van Pelt.
"All that glisters is not gold," said the Bard, but this couple is certainly shining this week.
Congratulations to them.

Gail and Lonnie Kepley from Chicago
Who won the Friday morning Side Game in all three sections.
This is their first visit to Bermuda and they think everything is "wonderful"!
They certainly had a wonderful win and we say well played to them.

Winners of the Friday afternoon Side Game were Ellen Cook and Joe Piantanida from Oklahoma.
They obviously play OK Bridge in OK!
Nice job, Oklahomans!

THE MASTERPOINT TROPHY WINNERS

THE MAUDE LINES TROPHY

Awarded to the visiting player who has won the most master points in Championship Trophy Events this week

Barbara McLendon and Radu Nistor have had a fantastically successful week with us and fully deserve this prestigious award. Congratulations to both on a sensational week of bridge.

THE NORMAN BACH TROPHY

Awarded to the local player who has won the most master points in Championship Trophy Events this week

One of the loudest cheers of the night was for John Glynn who, despite being a busy Committee Member, managed to find reserves enough to win this most coveted award. Bermuda salutes one of its favourites and best!

THE LONGTAIL TROPHY

Awarded to the visiting junior player who started the week with 50 or fewer points and has won the most master points this week.

This award went to Kelley Johnston from Charlottesville who had a brilliant week with us. Unfortunately, she had left by the time of the Prizegiving, but we raised a glass or two to her in her absence.

THE KARL STANLEY HICKS TROPHY

Awarded to the local junior player who started the week with 20 or fewer points and has won the most master points this week.

What a week for David Leach, who played so well and consistently throughout the week to win this award He's not blue, only the lighting is. A popular win. Well done, David!

THE WISDOM OF THE AGES

Bermuda Bridge and Bermuda in general is mightily blessed by nearly 200 years of wisdom incorporated in these three local players. They are (L to R) Diana Diel, Tony Saunders (who officiated at the now infamous 1975 Bermuda Bowl held here) and Felicity Lunn.

Still winners after all these years!

The Editor's Thanks

The Bulletin Ed would like to thank the following for all their help in Bulletin production and in other ways:

The Tops Tekkies and Other Wannabe Tekkies. Thanks to **Orlando** and **Gary** at Tops who helped me set up at the beginning of the week and then helped me make a smooth transition to actually printing the bulletins. Can I say "They're the Tops" without anybody cringing?

The Expert. This year, **Robert Todd** once again braved the Lioness's lair all on his-er-todd, expert-wise. Not only did he survive the ordeal, but he actually delivered his usual brilliant lectures and did well at the bridge table to boot. Thanks to him for being invariably cheerful and extremely accommodating with the extras demanded made of him time after time.

Steve, Lisa and the On the Casers. The Dynamic Doubleton and the On the Casers have been supportive and helpful throughout, despite their own busy schedules. Special thanks to **Judy King** who did her considerable best to promote the online bulletin everywhere and to provide QR access to it.

The HP Staff. The HP staff have been, as usual, helpful and accommodating all week, going the extra mile on many occasions. I also thank and apologize profusely to the unlucky staff members who will have to clear away the many, many empty wine glasses and other late-night debris when we leave.

The Prophet Ezekiel and Other Contributors. We tremble before the Prophet's awesomeness, but praise and thank him for the columns which he brought down from the metaphorical mountaintop and graciously shared with us. We simply are not worthy, although we try year after year! Thanks also to **Jack Rhind** and **Jeff Hand** who supplied hands, articles and jokes thus upping significantly the educational and entertainment wattage of the Daily Bulletin.

The Directors. The Five Star Famous Five were – well – stellar once again this year. Thanks also to **David Metcalfe**, the Keyboard Wizard, who supplied all his results on time before he rushed off to one after another lavish dinner. And big thanks, as ever, to **Jack and Lisa Rhind** for their continued and generous pre-tournament hospitality this year and in years gone by.

Stephanie Kyme and **Sheena Rayner**. Thanks to **Stephanie** for her amazing hospitality and many kindnesses during our visit, which gave us a very comfortable and enjoyable lead-in to the frenzied business of bridge playing and bulletin production. And, as always, thanks to dear friend Sheena Rayner for her hospitality and for just being her.

Sheena, Sally, Delton, Jack and Lisa. Thanks to these roadsters for taking us for a ride - one way and another, thus helping us avoid having to hire a Toy-Town car.

Bill. The ole ball and chain had very little to do at the beginning of the week as the bulletins were online, so all of his carefully honed crisping, folding and pressing skills seemed redundant. However, with the transition to printed bulletins, he was back in business and producing the sharpest creases in years. So, I once again thank him for all his support in this and everything else this week, for there have been many times when he has seen me at my shrewish worst and come out the other side, not smiling but standing.

AND, OF COURSE, THANKS TO ALL OF YOU

for turning up for photos promptly, for suggesting articles for inclusion, and all the lovely and supportive things you've said about the Rag,

and for reading it in the first place!
